WE GOT IT DONE! WITH OUR CORPORATE SOCIAL INVESTMENT PROJECTS FOR 2011

Since 2008, Builders has handed out over 7 000 Lapdesk to various previously disadvantaged schools across South Africa. The desks provide a portable surface for the children to work on instead of being reliant on a solid desk. Builders has made a commitment to donate a further 10 000 desks during the "Back to School Project" in January and February 2012.
